

November 4 had the first snow fall in the winter of 2017, we had three high-spirited HKU exchange students: Coco Ma, Clara Lai, Hubert Lim; and their mentors Dr. C P Lau, Dr. Paul Li and Fenella Sung attending the afternoon tea gathering sponsored by HKUAA BC. There were also past mentors and directors in attendance including Bernice Wong, Yeda Hong, Patrick Kwan, and Koon Ming Ho. This year marked the 20th year of the HKU Mentorship Program, and we watched past highlights in a special video "Mentorship Journey 20" produced by the HKU DAAO.

It was the first time for Coco and Clara visiting Canada; and Hubert visited Vancouver when he was little. They shared their fun and eye-opening experiences here in BC. They had made good use of their time to visit local places and sighting seeing; and they planned to travel more before the end of their exchange. We had good interactions for mentors sharing their highlights in and after HKU. And sharing those twists and turns in our lives were not just helpful to mentees but it also amazed ourselves. We lingered and did not wish to say good bye to one another, aware of we're going to turn back the clock and earned that extra hour tonight."
