

A MESSAGE FROM PREMIER JOHN HORGAN

As Premier of the Province of British Columbia, I'm pleased to congratulate all members of The Alumni Association of the University of Hong Kong, British Columbia (HKUAA BC) on your 50th Anniversary.

Fifty years is a significant achievement and a great chance to reflect on shared history and accomplishments. HKUAA BC's mission to provide a platform for alumni of The University of Hong Kong who now call British Columbia home to connect, socialize and offer mutual support is a commendable goal. This occasion provides a wonderful opportunity to celebrate successes from the past five decades of pursuing that vision together while also looking forward to the years ahead.

Organizations like HKUAA BC are cornerstones of communities throughout British Columbia, not only providing kinship for members, but also promoting understanding of Pacific Rim culture and providing mentorship and guidance to local students. In doing so, HKUAA BC helps to nurture the inclusivity and mutual respect that is so vital to the rich multicultural province we share.

Congratulations on this milestone occasion. I wish you continued growth and success for many years to come!

HONOURABLE JOHN HORGAN
PREMIER OF BRITISH COLUMBIA
