March 16, 2020

**O**n behalf of the Hong Kong Economic and Trade Office (Toronto), I would like to extend my warmest greetings to all members of the British Columbia Chapter of the Alumni Association of the University of Hong Kong (HKUAA BC) on its 50th anniversary and the University of Hong Kong (HKU)'s 110th anniversary.

As a proud alumnus myself and for those from Hong Kong, HKU is more than a university. It is part of Hong Kong's past, present and an integral element in the city's future development. Generations of HKU graduates have become knowledgeable professionals, industry leaders, business elites and community pioneers, serving Hong Kong with virtues.

Since its establishment in 1910, HKU has grown to be amongst the number one university in Hong Kong and a leading university in Asia. HKU also received many other well-reserved recognition from prestigious global institutions. Today HKU is home to scholars and students from around the world, with alumni at every corner globally.

With its long-standing 50-year history in British Columbia, I am confident that members of HKUAA BC will continue to be torch bearers of HKU's mission – "Sapientia et Virtus" ('Wisdom and Virtue'), bonding alumni in Hong Kong and Canada.

It is my honour and pleasure to be part of HKU and to join you in this joyous celebration of these milestone occasions. Although the pandemic is preventing us from gathering for the celebrations, we will continue to be united in our love and pride of our alma mater. I wish HKUAA BC all the best in its future endeavours.
